

Questions

1.
 1. What case are the nouns in the questions? (Ignore Question 20.)
 2. What two cases are most of the nouns in the answers?
2. Using a dictionary, find:
 1. the genitive singular of the nouns that are italicised and underlined;
and
 2. the nominative singular of the asterisked nouns.
3. In Question 20, what cases might *amara* and *dulcia* (adjectives) be? What are they likely to be here? Can you find them in the dictionary? The form of the question should help.

quod here = "that which".

4. Can you find the meaning of the questions and answers? Think about the ideas which each 'answer' expresses!
Which questions are in a different form from the others? Find the verbs in the dictionary.
